TO THE CLASS OF 2012:

Let me be one of the first to offer you congratulations on your successful completion of your high school education! Oh, but be made aware, your journey is just at its beginning, not at its end. Ahead of you lie the many trials and tribulations that make life the challenging beauty that has overjoyed and frustrated humanity for eons. We hope that the knowledge, the skills, the support, and the experiences that you have received at Manchester Essex Regional High School will serve as the foundation with which you will explore this new frontier. We also hope you feel adequately prepared to engage this new and exciting time in your life.

Please understand how proud your school community is of the fine young men and women you have demonstrated to be. Understand the expectations we all have for what you will know do with your significant talents, and make the most of them…not simply to impress those of us who have known you, but to impress yourself with what you are able to accomplish. Find that arena where your passion and skills allow you to meet with fulfillment and success.

Most importantly, enjoy the life your efforts and talents will earn you with the knowledge that you decide the path of your existence. The entire staff here at MERHS believes in your ability to help improve our common experience while still finding joy and satisfaction in your personal pursuits. Congratulations Class of 2012 and Go Hornets!

Principal Jim Lee

The Class of 2012
is pleased to dedicate this yearbook to
Mr. Jim Lee

Even though he stifled our ability to use dance as a form of self-expression, the Class of 2012 happily dedicates this yearbook to Mr. Jim Lee.

Throughout these past four years Mr. Lee has gained our utmost respect by setting high standards for our class, continually showing support for all our endeavors, and dedicating his time towards making this school a place of excellence.

We have been fortunate to have a principal who cares so much about us as individuals. We will miss you very much.

With Love,
The Class of 2012.

47

seniors 2012

To our class advisors, Ms. Edgerton and Mr. Wallimann:

The class of 2012 would like to give a huge thank you to Ms. Edgerton and Mr. Wallimann for everything they have done for our class. Unfortunately, we were not able to spend all four years with these incredible teachers; however, the time we spent together was unforgettable. We may not have been the easiest class to work with, but they stuck by us no matter what. They pushed us to raise our fundraising goals, which we could never have dreamt of doing on our own. They have sacrificed countless hours for our benefit, and we can't thank them enough. As obnoxious and stubborn as we are, we really do appreciate all of the time and effort they have dedicated to us over the years.

Thanks for everything.

Love,

The Class of 2012

We are Young

FUN

Tonight
We are young
So let's set the world on fire
We can burn brighter than the sun

Now I know that I'm not
all that you got
I guess that I
I just thought maybe we could find new
ways to fall apart
But our friends are back
So let's raise a toast
Cause I found someone to carry me
home

Tonight
We are young
So let's the set the world on fire
we can burn brighter than the sun

Carry me home tonight
Just carry me home tonight
Carry me home tonight
Just carry me home tonight

The world is on my side
I have no reason to run
So will someone come and carry me home tonight

The angels never arrived
but I can hear the choir
so will someone come and carry me home

Tonight
We are young
so let's set the world on fire
we can burn brighter
than the sun

So if by the time the bar closes
and you feel like falling down
I'll carry you home tonight

THE GOOD OLD DAYS...

ESSEX YOUTH COMMISSION

Ann

Dear Class of 2012,

Reflecting on four years of high school in order to write this letter is a fairly tough task. That's why we have tried our very best to capture memories through photos which illustrate a complete vignette of our beloved class as a whole.

As cliché as this may sound, our class is a puzzle. Each of you represents a vital and indispensible piece of a whole. Without one we are truly incomplete. The uniqueness of this class has resulted in strong opinions, bright minds, and caring hearts. Because of this, we have undoubtedly had our differences and obstacles to overcome. But keep in mind that every challenge has its repercussions and ours is unity. They may differ from one another, but each of us has created our own special memories and bonds through this pivotal learning experience we call high school.

So take this yearbook, handle it with care, and cherish it, for this a collection of memories that binds our class together.

The compass on the cover of this yearbook represents different directions that we will choose to follow. So we encourage you to blaze your own path, excel in all your endeavors, and be proud of the person you have become.

So go where the compass may lead, for it is inevitable that we are all destined for greatness.

Love your editors,

Nabila and Megan

I hope you never look back, but you never forget. All the ones who love you, in the place you left. I hope you always forgive, and you never regret. And you help somebody every chance you get. But more than anything, My wish, for you, is that this life becomes all that you want it to. Your dreams stay big, your worries stay small. You never need to carry more than you can hold. And while you're out there getting where you're getting to,
I hope you know somebody loves you.
